Sonoma County Galleries, the Destination for Visual Arts

With a lush pastoral beauty that offers every natural delight available from vineyard and forest to sea, Sonoma County has long been hailed as a utopia—a land that draws dreamers and beckons to the creative mind. The brilliant atmosphere of the area continues to lure and inspire artists, many who are nationally and internationally renowned.

Catering to art lovers of all ages, Sonoma County galleries offer an eclectic mix, from masterworks dating from the California Impressionist period to contemporary works that are unmistakably 21st Century.
